IN CASE OF A SERIOUS EMERGENCY

Please contact the 24 hour emergency assistance service provided by Emergency Assistance Facilities

UK: +44 (0) 203 829 6745

Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU, and then contact **Emergency Assistance Facilities** to offer you advice.

We strongly suggest you put their telephone number

+44 (0) 203 829 6745

into your mobile phone **before** you travel so that it is to hand if you need it.

Get details of the hospital you are being taken to so that our Emergency Assistance Facilities doctor will be able to obtain a medical report at the earliest possible opportunity. You may need to pay the policy excess locally and ask the hospital to send the rest of their bills to Travel Claims Facilities at: PO Box 395, Monks Green Farm, Mangrove Lane, Hertford, SG13 9JW.

Our appointed assistance service, Emergency Assistance Facilities will explain this to them and provide them with a faxed/email confirmation if necessary.

You will need to have some basic information for them to hand:

- Your telephone number in case you are cut off
- Patient's name, age and as much information about the medical situation as possible
- Name of the hospital, ward, treating doctor and telephone numbers if you have them
- Tell them that you have InsuraTrip Travel Insurance, your policy number and the date it was purchased
- Patient's UK GP contact details in case they need further medical information

Things to be aware of/remember

- Your policy does not cover any costs of private medical treatment unless authorised by us.
- NEVER give your passport to a clinic or hospital.
- It is not always possible to return home immediately after discharge following injury or illness, you will be able to return home when the assistance service considers it safe and airline regulations have been met. Sometimes you will need to stay in resort for a while longer before returning home so the assistance team will arrange additional accommodation for you.
- You may be required to obtain your medical records in the event of a claim.

OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS

If you need to see a doctor ask your hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge you to seek private treatment, however this is not necessary. Private medical facilities vary greatly and are not equipped to deal with all emergencies, they may give you unnecessary treatment and at inflated prices. If you are ever in doubt please call the assistance team for advice on where to seek treatment.

In Europe you should show them your EHC card, and have it accepted; medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of you requiring medical treatment). You will only be covered for the cost of private treatment if this is approved in advance by Emergency Assistance Facilities. If your outpatient bill is less than £500 then you will need to pay this to the medical facility, and ensure you keep all receipts so you can claim upon your return.

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured, only if medical treatment is not available locally.

If you are thinking of cutting short your trip because you are not well then you must contact

Emergency Assistance Facilities on +44 (0) 203 829 6745 for advice first.

If you need to come home for any other reason, such as the illness of a close relative in the UK then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured.

If you are not sure whether your circumstances are included in the cover then call Travel Claims Facilities +44 (0) 203 829 6761.

OUR PLEDGE TO YOU

It is our aim to give a high standard of service and to meet any claims covered by these policies honestly, fairly and promptly.

We occasionally get complaints and these are usually through a misunderstanding or insufficient information.

Any complaint will be investigated at once and the matter resolved as quickly as possible, please see page 23 of the policy for information on our complaints procedure.

Disclosure of your Medical Conditions

So that we can ensure you are provided with the best cover we can offer please read and answer the following questions accurately and carefully.

Your policies do not cover claims arising from any existing medical conditions that require you to answer 'Yes' to the questions below.

CHANGE IN HEALTH

If your health or your ongoing medication changes between the date the policies were bought and the date of travel you must advise InsuraTrip Healthcheck on **0203 829 3814**, as soon as possible. We will advise you what cover we are able to provide for your change in health, as defined on page 7, after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary. (Please refer to the Definition of Existing Medical Condition for more information).

BE AWARE! WE DO NOT PROVIDE ANY COVER FOR:

- Claims caused by an existing medical condition of a non travelling close relative, the person you are intending to stay with, a business associate, or any recognised complication caused by the existing medical condition.
- Any circumstances that are not specified in your policies.

WHEN YOUR TWO POLICIES START AND END

The cover for Policy A, as described under section A of the pre-travel policy, starts from the commencement date of cover shown on your insurance certificate, after the policy was issued and ends when you leave home to start your trip. On annual multi-trip policies cover starts on the chosen starting date and cancellation cover is not in force until that date, subsequent trips start from the date of booking.

The cover under Policy B starts when you commence your trip and ends when you complete your trip. Cancellation cover will cease when you start your trip, or upon expiration of your policy, whichever is first. No further trips are covered except where you hold an annual multi-trip policy which will cover further trips not exceeding the maximum duration allowed according to your chosen level of cover. There is absolutely no cover for any portion of a trip which is planned to be longer than the maximum duration of your chosen level of cover.

EXTENSION OF PERIOD

In the event of either your:

- death, injury or illness during your trip,
- delay or failure of public transport services during your trip;
- delay or failure of your return flight to the UK, Channel Islands or BFPO from your international departure point.

you are unable to complete the trip before your travel policy expires, cover will be automatically extended without additional premium for the additional days necessary to complete the trip.

How your policies work

YOUR POLICY WORDINGS

Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. Please take the time to read and understand it straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered); if your circumstances do not fit those specified then there is no cover in place.

CANCELLING YOUR POLICIES

You have a 'cooling off' period where, should you decide that you find that the terms and conditions do not meet your requirements and provided you have not travelled or claimed on the policy, you can advise InsuraTrip within 14 days of purchase for a full refund to be considered. Should you wish to cancel your policy outside of the 14 day 'cooling off' period, and can confirm that there have been no claims on the policy and that you have not travelled, from which a £15 admin fee will be deducted; the following cancellation terms will be applied dependent on what type of policy you have purchased.

Single Trip policies - In the event you have not travelled and are not claiming on the policy, a refund of 50% of the policy premium and any additional premium applied to your existing medical conditions will apply. If you have travelled or are intending to claim, or have made a claim (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium.

Annual Multi Trip policies - Provided you have not made a claim (irrespective of whether your claim was successful or not) on the policy and you confirm in writing that there is no claim pending, should you choose to cancel and understand that all benefits of the policy will be cancelled, we will refund 5% of the total premium paid for each complete month remaining on the policy from the date of cancellation. If you are intending to, or have claimed (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium.

We reserve the right to give 7 days' notice of cancellation of this policy, without refund, by recorded delivery to you at your last known address in the event of the following circumstances: fraud, suspected fraud, misleading information or deliberate misrepresentation, abusive behaviour to any of our staff or agents.

BE CAUTIOUS

This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage as if you had no insurance cover.

PREGNANCY

Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 (inclusive) whilst you are away.

From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date. Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance.

It is essential if at the time of booking your trip you are aware that you are pregnant that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that after booking you discover travel is advised against or you are unable to receive the appropriate and required vaccinations for that country.

MEDICAL COVER

Your travel policy is not private health insurance, in that it only covers unavoidable, unexpected emergency treatment.

You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. You will then need to declare your existing medical condition and have it accepted by Insuratrip Healthcheck for it to be eligible for cover under your policy. You may be required to obtain your medical records in the event of a claim. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be given if travel is against the advice of your doctor, or a medical professional such as your dentist.

EHIC

The European Health Insurance Card (EHIC) allows you (provided you are a UK resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel.

Applying on www.ehic.org.uk for the card is free and it is valid for up to five years.

If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil (with the exception of increased excess relating to declared medical conditions). YOUR EXCESS

Your policy carries an excess and this is the amount you have to contribute towards each claim. All excesses (your excess) shown for this policy are payable by each insured-person, per section and for each incident giving rise to a separate claim unless otherwise stated in the schedule of limits and excesses. Your excess may be increased to include existing medical conditions (including anything directly or indirectly related to that condition) confirmed in writing by us. The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.

If an excess waiver has been paid then standard excess is not applied, however, any increased medical excess is still applied in the event of a claim resulting from the condition/s it is attached to.

We have categorised the activities that are not covered as standard into seven further bands. If you do not see your chosen activity, do not worry, we may be able to cover it, but you must contact us so we can discuss the activity and what, if any additional premium is necessary. All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated. Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi-professional
